Sponsorship Package

The first Manitoba Highland Gathering was held in 1967 in Selkirk, Manitoba. Established to celebrate the Scottish heritage of local immigrants, it now features piping, drumming, highland dancing, heavy events, paddling & swords. In 2014 it moved to its current home, Legacy Park, East Selkirk in the RM of St. Clements. A dedicated group of volunteers strive to educate and promote Scottish and local traditions in Manitoba. Not only can you watch the competitions, you can interact with the local history villages, visit the Wee Folk area, pet a heilan coo, investigate your family history, see how wool is spun, shop, be entertained & get your fill of traditional Scottish food!

We bring together youth to senior, single to families celebrating our local culture. We believe that you would be an ideal partner in helping us achieve our goals while offering you significant brand exposure and engagement with our audience.
